**East
Hampshire**
DISTRICT COUNCIL

A message from Councillor Richard Millard, Leader of East Hampshire District Council

"I hope you and your families are safe and well.

"As a small business owner, I'm itching to get back to work and providing great service to my customers, but this must be achieved with safety taking paramount importance.

"If you're planning to reopen your business, please make use of the range of support and advice available, to ensure that your customers can shop safely."

How has coronavirus affected your business?

Tell us how the coronavirus crisis has impacted your business, where you need support and the opportunities it may have created by completing a 10 minute survey.

The survey has been developed by the Hampshire and Isle of Wight Local Resilience Forum with the University of Portsmouth.
